Management (or managing) is the administration of an organization, whether it is a business, a not-for-profit organization, or government body. Management includes the activities of setting the strategy of an organization and coordinating the efforts of its employees (or of volunteers) to accomplish its objectives through the application of available resources, such as financial, natural ...

The law of the United States comprises many levels of codified and uncodified forms of law, of which the most important is the United States Constitution, the foundation of the federal government of the United States. The Constitution sets out the boundaries of federal law, which consists of acts of Congress, treaties ratified by the Senate, regulations promulgated by the executive branch, and ...

Brewer, Attorneys & Counselors is a firm of choice for resolving major disputes in the hospitality industry. The firm has represented internationally known hotel franchisors, management companies, owners, developers, and investors in many of the most high-profile, big-stakes cases in the industry.

Brewer Attorneys & Counselors | New York, Dallas

In the wake of the financial crisis, economic policy-making has been predominantly monetary rather than fiscal. Unorthodox countercyclical policies such as quantitative easing “ large-scale purchases of government bonds by central banks “ have evolved into enduring features of economic policy frameworks.
